Southern Alleghenies Regional Broadband Task Force:

A diverse group of individuals have been meeting together for the past several months as a Broadband Task Force aimed at addressing the needs and shortcomings of the region's broadband network.

"The mission statement of the Southern Alleghenies Regional Broadband Task Force is to create a comprehensive action plan that guides affordable, reliable network implementation for all businesses and residents in the 6-county region."

The Task Force has four subcommittees serving the following areas:

Funding & Research
Technical Expertise
Data & Mapping
Outreach

PA Walk Works Award:

PA Walk Works program on October 19th in hopes of securing a route for two areas in their region.

Both areas submitted - Windber, in Somerset County and Mount Union, in Huntington County - were selected as 2019 PA Walk Works partners!

The Commission, along with several in the respective communities are continuing work on finalizing a route and fulfilling the deliverables of the program.

For more details on the program or to get involved, please visit: [PA Walk Works](#) or contact Brandon Peters at bpeters@sapdc.org or 814-949-6543.

Trail Highlight:

Path of The Flood Trail

This trail allows users to start just below the South Fork Dam and follow the very same course the floodwaters took in 1889 in the historic Johnstown flood!

Along the trail are numerous signs, telling the story and helping users to visualize the scene in their minds.
